'Umar bin al-Khaṭṭāb رضي الله عنه said, "Learn the Arabic language, it will produce intellect and increase you in respectable behaviour." [Shu'ab al-Īmān of al-Bayhaqī, 1551]

Ibn Ḥazm رحمته الله said, "Anyone who seeks knowledge of *naḥw* and the Arabic language with the intention of implementing the *Sharāḥ* and understanding the Words of Allah, the Most High, and the words of His Prophet, and to have a broader understanding of the religion; then this person will have a great reward and a lofty status by which he will not be surpassed by anyone." [Rasā'il ibn Ḥazm 3/162]

Al-Suyūṭī رحمته الله said, "Those who explained this book (*al-Ājrumiyyah*), such as al-Makūḍī, al-Rāī and others, have described its author as being an *imām* in *naḥw*, and possessing many blessings and benefits. An example of this is his *Muqadimah* which has been extremely beneficial for beginners in studying *naḥw*." [Bugyat al-Wu'āt fī Ṭabaqāt al-Lughawiyin wa al-Nuḥāt 1/238]

Ibn Ḥāj رحمته الله said, "Proof that this book is beneficial is that Allah has given it acceptance, to the extent that this has become the very first book (for beginners) that is studied prior to the commencement of reading the *Qur'ān al-Azīm*. This *Muqadimah* will give you benefits and understanding in the shortest time possible." [al-Taliqātu al-Jaliyyatu 'alā Sharḥ al-Ājrumiyyah, p. 43]
